

As Hilcorp blasts seismic air guns in our Lower Cook Inlet fisheries right now, make time for this important presentation:

**Seismic Oil & Gas Testing 101:
What We Know & Don't Know About
Impacts from Seismic Air Guns on
Our Marine Ecosystem**

Tuesday, October 1 - 5:30 PM
Land's End Quarter Deck

MORE INFO: 907.299.3277; keeper@inletkeeper.org
